

County of Riverside
Facilities Management-PMO
3450 14th Street, 2nd Floor, Riverside, CA

FOR COUNTY CLERK USE ONLY

NOTICE OF EXEMPTION

February 10, 2026

Project Name: Approval of Fourth Amendment to the Lease Agreement with James and Joyce Rumary, Probation Department, 1201 Research Park, Suite 100, Riverside

Project Number: FM042611050400

Project Location: 1201 Research Park, Suite 100, south of Columbia Avenue, Riverside, California 92207; Assessor's Parcel Number (APN) 257-030-058

Description of Project: The County of Riverside (County), on behalf of the Probation Department (Probation), entered into a lease agreement with J.D. Guthrie, LLC, a California limited liability company and predecessor in interest to James and Joyce Rumary (Lessor), which was approved by the Board of Supervisors on May 1, 2012 (Minute Order 3.15) (Lease). The Lease was subsequently amended by the First Amendment to Lease dated April 30, 2013 (Minute Order 3.6), the Second Amendment to Lease dated April 12, 2016 (Minute Order 3.11), and the Third Amendment to Lease dated June 15, 2021 (Minute Order 3.12).

The leased facility, located at 1201 Research Park Drive, Suite 100, Riverside, CA 92507 (Leased Premises), continues to meet Probation's operational needs and supports the delivery of programs and services to the community. The proposed Fourth Amendment to Lease (Fourth Amendment) will extend the lease term, modify the rental schedule, establish option periods and a corresponding option rent schedule, and revise custodial requirements. The Fourth Amendment to the Lease Agreement is identified as the proposed Project under California Environmental Quality Act (CEQA). The leased premise consists of approximately 17,247 square feet and the proposed Project is the letting of property involving existing facilities; no expansion of an existing use will occur. The operation of the facility will continue to provide public services for the Probation Department and will not result in an increase in the intensity of the use of the site. No additional direct or indirect physical environmental impacts are anticipated.

Name of Public Agency Approving Project: Riverside County

Name of Person or Agency Carrying Out Project: Riverside County Facilities Management

Exempt Status: State CEQA Guidelines Section 15301, Class 1, Existing Facilities Exemption; Section 15061(b) (3), General Rule or "Common Sense" Exemption. Codified under California Code of Regulations Title 14, Article 5, Section 15061.

Reasons Why Project is Exempt: The proposed project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause an impact to an environmental resource of hazardous or critical concern nor would the project involve unusual circumstances that could potentially have a significant effect on the environment. The project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the Fourth Amendment to the Lease Agreement.

- **Section 15301 – Class 1 Existing Facilities Exemption:** This categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site’s use. The project, as proposed, is limited to the extension of term of the existing Lease regarding probation services. The project would not substantially increase or expand the use of the site; use is limited to the continued use of the site in a similar capacity; therefore, the project is exempt as the project meets the scope and intent of the Class 1 Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The proposed Fourth Amendment to the Lease Agreement will not result in any direct or indirect physical environmental impacts. The use and operation of the facility will be substantially similar to the existing use and will not create any new environmental impacts to the surrounding area. No impacts beyond the ongoing, existing use of the site would occur. Therefore, in no way would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.

Therefore, the County of Riverside Facilities Management hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.
