**Project Description:** *(please use a separate page if necessary)*

The County proposes to develop a new public park on a 2.96-acre parcel located the northwest corner of Luis Avenue and Vera Cruz Drive in the unincorporated Santa Nella area of Merced County. The project site is identified as Assessor's Parcel Number (APN) 373-010-045.

Physical improvements include grading 2.96 acres and installing and constructing various park amenities including play areas, a full and half multipurpose sport courts, picnic areas, shade structures, game tables, exercise equipment, and restrooms. Other improvements include the construction of a parking lot and the installation of trees, hardscape and impermeable surfaces as well as turfed and landscaped area, curb, gutter, sidewalks, and a stormwater retention area. The conceptual plan was prepared by an engineering and architectural firm with input obtained from a series of community outreach efforts.

Two driveways would be constructed along Luis Avenue to provide vehicular access to the park and parking lot. Pedestrian entrances would be available throughout the park, including one on Vera Cruz Drive, Luis Avenue, and the corner of Vera Cruz Drive and Luis Avenue.

Water service would be provided by Santa Nella County Water District, and an on-site septic system would be installed for wastewater management.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
