**Project Description:** (please use a separate page if necessary)

The County proposes to design and construct a new Regional Law Enforcement Indoor Shooting Range on County-owned property at the existing Sheriff's Office Regional Training and Dispatch Facility (SORDTF). The facility would provide a new, secure indoor firearms range to support the Nevada County Sheriff's Office (NCSO) and other law enforcement agencies in meeting required firearms training and certification standards. The proposed Project includes construction of an approximately 14,200-square-foot, 1-story building. The building would contain a 12-lane, 50-yard indoor firing range, with variable lighting, moveable target systems, an armory, ammunition and equipment storage, office space for instructors, and restrooms.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
