

Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

Project Title: Nevada County Regional Law Enforcement Indoor Shooting Range

Lead Agency: Nevada County Sheriff's Office

Contact Name: Sean Scales

Email: sean.scales@nevadacountyca.gov

Phone Number: 5302651403

Project Location: 434 Kahele Court, Nevada City, CA 95959 County of Nevada

City

County

Project Description (Proposed actions, location, and/or consequences).

The County proposes to design and construct a new Regional Law Enforcement Indoor Shooting Range on County-owned property at the existing Sheriff's Office Regional Training and Dispatch Facility (SORDTF). The facility would provide a new, secure indoor firearms range to support the Nevada County Sheriff's Office (NCSO) and other law enforcement agencies in meeting required firearms training and certification standards. The proposed Project includes construction of an approximately 14,200-square-foot, 1-story building. The building would contain a 12-lane, 50-yard indoor firing range, with variable lighting, moveable target systems, an armory, ammunition and equipment storage, office space for instructors, and restrooms.

The Project site is located within the jurisdiction of the City of Nevada City which zones the parcel as Public, consistent with the current use of the SORDTF onsite. The Project site is owned by the County and is bordered to the west by additional County-owned open space. The project site is bordered to the north by State Route 49, to the east by the Nevada City Elks Lodge #518.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The Mitigated Negative Declaration (MND) prepared for the project identified potentially significant impacts related to the following environmental issue areas: Biological Resources, Cultural Resources, Geology/Soils, Hazards and Hazardous Materials, and Tribal Cultural Resources.

The environmental issue areas in which the MND identified feasible mitigation measures to reduce the potentially significant impact to a less-than-significant level include the following: Biological Resources, Cultural Resources, Geology/Soils, Hazards and Hazardous Materials, and Tribal Cultural Resources.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
