Project Title:

Carmichael Library ADA Exterior Upgrades

Control Number:

PLER2024-00113

Project Location:

The project site is the Carmichael Library, located at 5605 Marconi Avenue, in the Carmichael/Old Foothill Farms community in the unincorporated portion of Sacramento County.

APN:

272-0150-010-0000

Description of Project:

The project consists of ADA improvements including alterations to public path of travel, removal and replacement of concrete for modifications to book drops to conform to ADA standards, new striping layout for ADA parking spaces and a new EV charger in one of the ADA spaces.

Name of public agency approving project:

Sacramento County – ceqa@saccounty.gov

Person or agency carrying out project:

Maritza Sandoval
Department of General Services

Exempt Status:

Categorical Exemption (PRC Section 21084; CEQA Guidelines Sections 15300 -15333):

- CEQA Guidelines Section 15301 – Existing Facilities

Reasons why project is exempt:

Class 1 consists of the repair, maintenance or minor alteration of existing public or private structures, facilities, or topographical features, involving negligible or no expansion of existing or former use. The project will improve the ADA path of travel and modify the existing book drop to meet ADA standards, and minor modifications to the parking lot including restriping and new EV charging ADA space. The changes do not expand the existing use of the library and is therefore exempt from the provisions of CEQA.

Section 15300.2-Exceptions

Section 15300.2 of the CEQA Guidelines, Exceptions, provides conditions under which categorical exemptions are inapplicable. Review of the Project indicates that it will not violate any of the exceptions, as described in the following section.

1. *For Classes 3, 4, 5, 6, and 11, will the project have an impact on an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law by federal, state, or local agencies?*

The Project Exemption is not one of the above Classes and this exception does not apply.

2. *Will cumulative impacts be considerable because successive projects of the same type will occur at the same place over time?*

As it stands, the Project will not result in potentially significant impacts. Therefore, no cumulative impacts will result from the Project and successive projects of the same type and at the same place over time.

3. *Is there a reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances?*

There are no known unusual circumstances that will have a significant effect on the environment.

4. *Will the project result in damage to scenic resources, including but not limited to trees, historic buildings, rock outcroppings, or similar resources within a highway officially designated as a scenic highway?*

River Road/ Highway 160 (from the Sacramento City Limits at the northern edge of Freeport to the southern tip of the Delta at Antioch Bridge) is a designated State Scenic Highway. The Project is not located within the vicinity of this scenic highway. Therefore, the project will not result in damage to scenic resources or similar resources within a highway that is officially designated as a scenic highway.

5. *Is the project located on a site which is included on any list compiled pursuant to Section 65962.5 of the Government Code?*

The Project site is not included on any list compiled pursuant to Section 65962.5 of the Government Code. Therefore, the Project will not have an impact related to being located on a hazardous waste site.

6. *Will the project cause a substantial adverse change in the significance of a historic resource?*

The project site does not contain any historical resources.
