San Bernardino, CA 92415-0130

PROJECT DESCRIPTION

Los Flores Hazardous Fuel Reduction:
This Exemption involves the reduction of hazardous fuels and fire protection of 850 unimproved acres the City of Hesperia. This project will include simulation of fire suppression line construction and ignition of live and dead vegetation. Project activities will consist of vegetation removal, elimination of hazardous dead or dying vegetation, and fire suppression training. These activities are being coordinated with the State of California Department of Forestry and Fire Protection.
Location:
East of Los Flores Road and the California Aqueduct in Hesperia.
APN's: 039704128, 039704130, and 039704129

DATE FILED & POSTED

Posted On: 04-08-26
Removed On: 05-15-26
Receipt No: 36-04082026-218

Reasons why Project is exempt:

Class 4 allows for minor public or private alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees except for forestry or agricultural purposes. Assessment of the project location has determined it is not any of the restricted areas and will not result in significant effects on biological and archeological resources, nor the environment. The scope of the project will improve fire protection safety zone ingress/egress routes and reduce the fuel load (including ladder fuels) around the local communities, establishing greater defensible space.
