Project Title: Brandt Road Bridge Replacement (Initial Study #25-0037)

Lead Agency: Imperial County Planning and Development Services Department

Contact Name: Luis Bejarano, Planner II

Email: luisbejarano@co.imperial.ca.us Phone Number: 442-265-1736

Project Location: Calipatria Imperial
City *County*

Project Description (Proposed actions, location, and/or consequences).

The applicant (Imperial County Department of Public Works) proposes to replace the existing Brandt Road Bridge over the Alamo River (County Project No. 7094BRF). The project will construct a new single-span, prestressed concrete bridge along the same alignment as the current two-lane structure, for which Initial Study IS #25-0037 has been prepared. The replacement bridge will feature two 12-foot travel lanes and 4-foot shoulders, maintaining the existing roadway width and configuration. The new bridge will be built at the same grade as the existing bridge, ensuring that all improvements remain within the established County right-of-way. Construction staging and related activities will also be accommodated entirely within County right-of-way. The project is located approximately 2.5 miles southwest of the city of Calipatria and east of the Salton Sea, in Imperial County California.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

- BIO-1: Mitigation for permanent impacts to tamarisk thickets.
- BIO-2: Construction fencing mitigation
- BIO-3a: Construction monitoring
- BIO-3b: Employee Education Program
- BIO-4: Construction Best Management Practices
- BIO-5: Pre-Construction Survey
- BIO-6: Conceptual Burrowing Owl Mitigation Plan
- BIO-7: Bat Species mitigation
- BIO-8: Migratory Birds and Raptors
- BIO-9: Jurisdictional Resources Permits
- BIO-10: Wildlife Movement
- CUL-1: Unidentified cultural material unearthed during construction
- CUL-2: Discovery of Human Remains

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

None have been expressed at this time.

Provide a list of the responsible or trustee agencies for the project.
