Project Description (Proposed actions, location, and/or consequences).

The applicant is requesting a Conditional Use Permit to operate an Interim Recuperative Care and Transitional Housing facility within the Imperial Center Specific Plan Area. NHHA's CalAIM (Care Continuum Leveraging California Advancing and Innovating Medi-Cal) program provides day habilitation, recuperative care, short-term post-hospitalization services, community health worker services, a sobering center, enhanced care management, behavioral health services, and street medicine. The ultimate goal of the Care Continuum is to secure permanent housing and long-term housing stability for each client. Housing services may be extended for an additional six (6) months after the initial 90-day recuperative care period has expired. The facility will provide services for approximately 80-100 clients and will employ up to 50 team members hired locally. The hours of operation for the site will be 24 hours a day, Monday through Sunday.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.
