Subject: One-Week Extension to Muir Woods Road Improvement Project
Draft Initial Study/Mitigated Negative Declaration Comment
Period (SCH #2026040917)

To Whom it May Concern,

The Marin County Department of Public Works (County) extended the public comment period for its Draft Initial Study/Mitigated Negative Declaration for the Muir Woods Road Improvement Project (SCH #2026040917) by one week to align the comment period with the Federal Highway Administration–Central Federal Lands Highway Division's schedule. Additionally, a minor correction was required on the County's Notice of Availability for the Draft Initial Study/Mitigated Negative Declaration posted with our local newspaper, the Marin Independent Journal, necessitating that the legal notice be reposted by the newspaper.

The comment period commenced on April 22, 2026, and formally ended on May 22, 2026. We therefore request that the Muir Woods Road Improvement Project Draft Initial Study/Mitigated Negative Declaration comment period close on May 29, 2026.

Please let me know if you need any additional information.

Sincerely,

Rachel Calvert
Senior Civil Engineer
Marin County Department of Public Works
