

PUBLIC NOTICE

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

NOTICE IS HEREBY GIVEN THAT THE SAN LORENZO VALLEY UNIFIED SCHOOL DISTRICT is considering adoption of a Mitigated Negative Declaration for the project identified below:

SAN LORENZO VALLEY HIGH SCHOOL FIELDS

CEQA Status: Consideration and possible adoption of a Mitigated Negative Declaration. According to the proposed Mitigated Negative Declaration, the Proposed Project would not have any potentially significant environmental impacts after implementation of mitigation measures (or MM's). MM's are proposed for the following area: biological resources.

Request: The project would include the installation and operation of field lights and an upgraded PA system at the SLV football, softball, and baseball fields. Additionally, the project would replace the aging bleachers for all three fields, demolish the existing restroom and snack shack to construct a new restroom and snack shack between the softball and baseball fields, and construct two press boxes attached to the softball and baseball bleachers. The field lights would provide safe and flexible nighttime use of the fields for various sporting and marching band activities, including practices and games. The field lights would also allow for evening special events, such as commencement exercises. A select number of nighttime events would include the use of the PA system. The PA system will also be used for sporting events, marching band, and school activities during daytime hours. The project site is not listed on any lists under Section 65962.5 of the Government Code including lists of hazardous waste facilities, land designated as hazardous waste property, and hazardous waste disposal sites.

The proposed Mitigated Negative Declaration is available for inspection during regular business hours (with the exception of School holidays), between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday, at the San Lorenzo Valley Unified School District office at 325 Marion Ave, Ben Lomond, CA 95005. It can also be viewed or downloaded from the District's website under [Community - San Lorenzo Valley Fields CEQA Study](#) or the at the following link:

https://www.slvusd.org/apps/pages/index.jsp?uREC_ID=1128573&type=d&pREC_ID=2741070

Written comments regarding the environmental effects of this project and the adequacy of the proposed Mitigated Negative Declaration are solicited. Written comments must be presented during the public review period, which runs from **May 1, 2026 through May 21, 2026**. Comments should be directed to Chris Schiermeyer, District Superintendent, 325 Marion Av, Ben Lomond, CA 95005; (831) 336-5195 or cschiermeyer@slvusd.org.

The San Lorenzo Valley Unified School Board will consider approval of the Proposed Project at a School Board meeting scheduled for June 3, 2026 at 6:00 p.m., located at 325 Marion Avenue, Ben Lomond, CA 95005.

DATED: April 28, 2026
