Project Title: Golden Rivers INC

Project Location: The Project is located at 8614 Unsworth Avenue in Sacramento County.

County: Sacramento

Project Description:

The Department of Cannabis Control, pursuant to authority granted under Business and Profession Code Division 10, Chapter 2, Section 26012, approved a Cannabis Distribution License submitted on 10/16/2025 by Nghia Ngo.

Project Activities:

The Project will consist of a cannabis distribution facility located at 8614 UNSWORTH AVE, SACRAMENTO, CA 95828. On September 21st, 2017, the Zoning Administrator approved a Conditional Use Permit to establish 13,000 square feet of cannabis cultivation located within a warehouse building (Z17-039). Subsequently, a Conditional Use Permit Minor Modification approved the conversion of 2,099 square feet of cultivation space to 1,519 square feet of manufacturing space and 580 square feet of distribution space. The applicant is now requesting to return the 1,519 square feet of manufacturing space back to cultivation space. This will result in an increase of cultivation space from 10,901 square feet to 12,420 square feet and a decrease in manufacturing space from 1,519 square feet to zero. This modification will not result in any material changes to the exterior of the building.
