Project: Fairview Park Master Plan Update

The City of Costa Mesa would like to make the following global corrections to the documents posted on the CEQAnet website on 4-29-26 for the above-referenced project. The following is the corrected email and other contact information for the point of contact to send comments on the Initial Study/Mitigated Negative Declaration:

Kelly Dalton, Fairview Park Administrator
Parks and Community Services Department
City of Costa Mesa
77 Fair Drive
Costa Mesa, CA 92626
FVPMP@CostaMesaCA.Gov
714-754-5135

It should also be noted that the CEQAnet forms reference the City of Costa Mesa, Planning Department, as the Lead Agency for this project. This should be corrected to note that, while the City of Costa Mesa is in fact the Lead Agency, the specific internal group managing the CEQA process for this particular project is the Parks and Community Services Department and NOT the Planning Department.

Again, the corrected email address for correspondence or comments regarding this project is:

FVPMP@CostaMesaCA.Gov
