From: Kern County Planning and Natural Resources Department
2700 M Street, Suite 250, Bakersfield, CA 93304

Project Description: The project consists of the development of a 42.4-acre park on a vacant parcel of land. The project consists of street related improvements and four-related phases of park improvements. Phase one consists of the design, installation and construction of park related improvements including: road and streets access, pedestrian and park walkways and three (3) parking areas. Park facility related improvements include: four (4) baseball fields and two (2) softball fields, three (3) soccer fields, three (3) universal courts, three (3) handball courts, two (2) picnic and barbeque areas, four (4) basketball courts, batting cages, two (2) playgrounds and related improvements. CDBG CARES funds will be utilized to provide roads access since the approved State Grant funding does not include road access within the scope of covered improvements. Additional CDBG funding may be used for the design of phases two through four of the project. Phase Two: Phase consists of the design, installation and construction for the expansion of one parking area with solar improvements, dog park, community garden, kids physical fitness, outdoor gym, two (2) tennis/pickleball courts, parking maintenance yard and shop, barbeque area and related improvements. Phase Three: Phase consists of the design and construction of a gymnasium and related improvements. Phase Four: Phase consists of the design and construction of a track and field area and related improvements.

This is to advise you that a finding of No Significant Impact (FONSI) has been made for this project by the California Department of Transportation as assigned by the Federal Highway Administration pursuant to 23 USC 327. A copy of the FONSI and the attached
