

Central Valley Regional Water Quality Control Board

California Environmental Quality Act Notice of Exemption for Clean Water Act Section 401 Water Quality

To: Office of Planning and Research
1400 Tenth Street, Room 121
Sacramento, CA 95814

From: California Regional Water Quality Control Board
Central Valley Region, Redding Office
364 Knollcrest Drive, Suite 205
Redding, CA 96002

Date: 29 April 2026

Project Title:

Union Pacific Railroad (UPRR) Canyon Subdivision,
Milepost 315.18 Bridge Replacement Project (Project)

Project Location - Specific:

Section 19, Township 22 North, Range 13 East, MDB&M.
Latitude: 39.7582° and Longitude: -120.5568°

Project Location - County:

Plumas County

Description of Nature, Purpose, and Beneficiaries of Project:

The project will replace the existing Canyon Subdivision Milepost 315.18 Bridge, which consists of a 134-foot-long, 48-inch-diameter corrugated metal pipe culvert. The existing bridge must be replaced because UPRR inspections have identified corrosion and other defects indicating that routine maintenance can no longer extend the safe operational condition of the bridge.

The existing structure will be replaced with a 135-foot-long, 48-inch-diameter smooth steel pipe culvert that will be horizontally auger bored (jack and bored) through the existing railroad embankment approximately 6.5 feet west of and parallel to the existing culvert. Following construction of the replacement culvert, the existing culvert will be grouted and abandoned in place.

Name of Public Agencies Approving Project:

Federal Agencies: The project requires authorization under U.S. Army Corps of Engineers Clean Water Act Section 404.

State Agency approval for Clean Water Act Section 401 Water Quality Certification: California Regional Water Quality Control Board, Central Valley Region, Redding Office. WDID No. 5A32CR00261.

Name of Person or Agency Carrying Out Project:

Stephen Cheney
Union Pacific Railroad
1400 Douglas Street, Stop 0910
Omaha, NE 68179

Exempt Status:

The California Regional Water Quality Control Board, Central Valley Region as lead agency, determined the Project is categorically exempt from review under CEQA pursuant to California Code of Regulations, title 14, article 19, section 15302, Replacement or Reconstruction. Class 2 consists of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced.

Reasons why Project is Exempt:

This project is categorically exempt under CEQA section 15302 because the project involves replacement of an existing structure with a new structure that will be located in the same footprint and will have substantially the same purpose and capacity as the structure replaced.
