Project Title: Schools of Tomorrow School Consolidation and Attendance Boundary Adjustment

Project Location - Specific: Ernesto Galarza Elementary, 1610 Bird Avenue, San José, CA 95125

Project Location - City: San José **Project Location - County:** Santa Clara

Description of Nature, Purpose, and Beneficiaries of Project:

The project consists of: (1) the closure of five small and underenrolled elementary schools and relocation of one magnet program to a new school site; (2) transfer of students attending the closed schools to other school campuses within the District; and (3) adjustments to the District's attendance boundaries ("Project"). The Project will become effective beginning in the 2026-2027 academic year. The District has and continues to experience significant declining enrollment and must consolidate some of its smallest elementary schools to continue to provide high-quality programs aligned with the District's "Schools of Tomorrow" initiative. The aspect of the Project covered under this Notice includes the reassignment of students currently attending the closing Canoas Elementary ("Canoas") to Ernesto Galarza Elementary ("Ernesto Galarza"). The Project as a whole, including the closure of Canoas, the resulting boundary adjustments, and the transfer of former Canoas students to Ernesto Galarza, will not require the addition of more than 10 classrooms to any school site receiving transferring students (in this case, Ernesto Galarza), and will not increase any school's student capacity by 25% or more.

Exempt Status: (check one)

- Ministerial (Sec. 21080(b)(1); 15268)
- Declared Emergency (Sec. 21080(b)(3); 15269(a))
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c))
- Categorical Exemption. State type and section number: **Class 1: Sec. 15301; Class 14: Sec. 15314 – Minor additions to schools.**
- Statutory Exemptions. State code number: Sec. 21080.18 Closure of public school/transfer of students
- Other. Common Sense Exemption:

Reasons Why Project Is Exempt: The Project as a whole, including the closure of Canoas, the proposed attendance boundary adjustments and the transfer of students from Canoas to Ernesto Galarza, is statutorily exempt from further CEQA review in accordance with Public Resources Code section 21080.18 because the transfer of students from the closing schools to designated receptor school sites can be accomplished without necessitating expansion of the schools beyond what is allowed under the Class 1 and Class 14 categorical exemptions (CEQA Guidelines, sections 15301 and 15314). More specifically, Ernesto Galarza has an existing original student capacity that can accommodate all students transferring from Canoas without expanding or physically changing the school site beyond the applicable categorical exemption thresholds.
