Date Form Completed: May 4, 2026

This is to advise that the County of San Diego Department of Public Works (County decision-making body) has approved the above-described project on April 30, 2026 and found the project to be exempt from CEQA under the following criteria:

Exempt status and applicable section of the CEQA (“C”) and/or State CEQA Guidelines (“G”): (check only one)

- Categorical Exemption:** Sec. G 15301 - Existing Facilities
- Declared Emergency:** Sec. C 21080(b)(3); Sec. G 15269(a)
- Emergency Project:** Sec. C 21080(b)(4); Sec. G 15269(b)(c)
- General:** Sec. C.
- Ministerial:** Sec. C 21080(b)(1); G 15268
- Preliminary Review:** Sec. G
- Statutory Exemption:** Sec. G

Statement of reasons why project is exempt: Section 15301 of the State CEQA Guidelines exempts the “operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features involving negligible or no expansion of existing or former use.” The key consideration in applying this exemption is whether the proposed action involves expansion of an existing or former use. The proposed action consists of approval of a license amendment to use a portion of the airport’s active airfield for testing of aircraft technologies. Issuance of the identified license amendment will not result in an expansion of uses of existing facilities. Accordingly, the proposed action is exempt from CEQA review pursuant to Section 15301 of CEQA Guidelines.

The following is to be completed only upon formal project approval by the appropriate County of San Diego decision-making body.
