TO:	**Thomas Hubbard, Governor's Office of Land Use & Climate Innovation**
FROM:	**City of Mountain House, Community Development Department**
SUBJECT:	**Document Replacement Request - Updated NOA - SCH No. 2026050303**

This memorandum serves as a request to replace the previously submitted Notice of Availability (NOA) and Notice of Completion (NOC) for the Mountain House General Plan Project (SCH No. 2026050303), which was recently published. Due to a minor administrative adjustment, the NOA and NOC have been revised to update the public review timeframe:

- Corrected Public Review Dates: November 6, 2026 to December 21, 2026

No other substantive changes have been made to the text of the NOA or NOC.

Please direct any questions regarding this administrative correction to Erik Anderson at 760-201-5977 or eanderson@denovoplanning.com.

Sincerely,

Erik Anderson
