Rancho Cordova, CA 95670

**Project Title:** Sly Park Boat Launching Facilities Upgrade (Streambed Alteration Agreement EPIMS Notification No. ELD-63693-R2)

**Project Location:** The project is located at Sly Park Creek in the County of El Dorado, State of California; Latitude 38.70946, Longitude -120.53593; 4771 Sly Park Road Pollock Pines; Assessor's Parcel Number: 042-011-016-000.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification Number ELD-63693-R2, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, El Dorado Irrigation District.

The project is a part of a larger project that includes improvements at two boat launch facilities (BLFs) within the Sly Park Recreation Area (SPRA) located in the community of Pollock Pines. The project covered under the Agreement is limited to the widening of the boat ramp at the Doolittle BLF on Jenkinson Lake. This includes the excavation of 365 cubic yards (CY) of silt and debris from the area where the new boat launch lanes will be constructed. Installing 100 linear feet (115 CY) concrete matting to form the boat launch lanes with 130 CY of riprap along the edges and a new concrete anchor to guide the floating dock.

Work would be performed from a floating barge and/or long reach excavator from the shoreline. A silt curtain would be installed around the work area in the reservoir to help contain turbidity generated during construction activities.
