Project Applicant: El Dorado Irrigation District - Main

Project Title: DA22-0001 East Ridge Village Tank

Project Location: Valley View Parkway, El Dorado Hills, CA

Project County: El Dorado County

Project Description: The East Ridge 1210 Tank project consists of the construction of a new storage tank, with a capacity of 820,000-gallons and sit on top of a ridge providing gravity head and primarily feeding new proposed development within the East Ridge development of El Dorado Hills.

Public Agency Approving the Project: State Water Resources Control Board (State Water Board)

This is to advise that the State Water Board has issued a domestic water supply permit amendment for the above-described Project on April 24, 2026. A record of approval for the Project is available to the general public at the State Water Board, Division of Drinking Water district office listed above.

CATEGORICAL EXEMPTION STATUS:

Class 3: New Small Construction Cal. Code of Regs., section 15303

Reason Why the Project Is Exempt: The Project is exempt because the East Ridge 1210 Tank project consists of construction and location of limited new small structures, such as a storage tank. The 1998 Valley View SP Environmental Impact Report (EIR) and 2015 Notice of Exemption under CEQA Guidelines Section 15182 for the East Ridge Village Tentative Subdivision Map (TM14-1521) continues to be relevant and adequate environmental analysis to address the impacts of completing the development of the East Ridge Project. The project will also construct distribution lines of less than sixteen (16) inches in diameter, and related appurtenances.
