Oakland, CA 94612

Project Title: SR-92 Drainage and Pavement Settlement Repair DO (EA 0V330)

Project Applicant: Caltrans

Project Location - Specific: The project is located on State Route (SR-) 92 in San Mateo County at post mile (PM) R12.59.

Project Location - City: San Mateo

Project Location - County: San Mateo

Description of Nature, Purpose, and Beneficiaries of Project:

Caltrans proposes repairing drainage and pavement settlement on SR-92 in San Mateo County at PM R12.59. Field Maintenance identified rough driving conditions and pavement settlement at the east approach to Bridge No. 35-0252L. The settlement was caused by stormwater infiltration undermining the roadway subbase. The pavement is settling across the full width of the highway, creating abrupt elevation changes experienced by motorists traveling through the area. The observed settlement ranges from approximately 0.5 to 4.0 inches and affects an area measuring approximately 48 feet by 24 feet.

The project will repair the pavement settlement by injecting polyurethane foam to lift the roadway to its original grade. The pavement will be ground and repaved. The 25-foot Hot Mix Asphalt (HMA) Dike – Type A will be reconstructed. The existing drainage inlet, 18-inch reinforced concrete pipe (RCP), and outfall area will be cleaned. Sandbags will be placed from the existing bridge barrier to the drainage inlet. Erosion control measures will be implemented.

Temporary traffic control will be required during construction activities.

Name of Public Agency Approving Project: Caltrans

Name of Person or Agency Carrying Out Project: Caltrans

Exempt Status (**check one**):

- Ministerial (Sec. 21080(b)(1); 15268);

- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: PRC 21084; 14 CCR 15301 Class 1
- Statutory Exemptions. State code number: _____

Reasons why project is exempt:

Class 1 Existing Facilities. The project is not anticipated to result in any environmental impacts. The project contains a number of standardized project measures which are employed on most, if not all, Caltrans projects and were not developed in response to any specific environmental impacts resulting from the project.

Lead Agency Contact Person: Juliane Smith

Phone number: (510) 926-0426

If filed by applicant:

1. Attach certified document of exemption finding.
2. Has a Notice of Exemption been filed by the public agency approving the project?
 Yes No

Signature: Juliane Smith Date: 5/7/26

Title: Senior Environmental Scientist (NEPA/CEQA Specialist)

- Signed by Lead Agency Signed by Applicant
