Present Land Use/Zoning/General Plan Designation:

HC-R, Highway Commercial Zoning District; Residential Mixed Use in the 2040 General Plan

Project Description: *(please use a separate page if necessary)*

The project includes developing the 1.4-acre parcel with an approximately 4,761-sf convenience store and fuel station with 8 conventional fueling positions, and with direct access to Rosin Court. The site features existing sidewalks, curb and gutter along Northgate Boulevard and Rosin Court which would be incorporated into the project. Pedestrian access would be provided directly from Northgate Boulevard. The project would include parking, including ADA-compliant and power-ready electric vehicle charging spaces, landscaping, and lighting. The project would connect with existing utilities along Northgate Boulevard and Rosin Court. The convenience store would be electric-only (no natural gas), and would not include the sale of alcohol. A conditional use permit is requested for the sale of tobacco.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
