Notice of Intent to Adopt a Mitigated Negative Declaration

McAllister Ranch Irrigation District (MRID, District) has completed preparation of an Initial Study/proposed Mitigated Negative Declaration (IS/MND) for the **McAllister Ranch Solar Project** (Project) and intends to adopt the MND as part of project review.

The IS/MND comment period is from **May 20 to June 18, 2026**.

You may obtain a copy of the IS/MND at 525 North Main Street, Buttonwillow, CA 93206 between 9:00 AM and 5:00 PM (except holidays). The IS/MND may also be reviewed at:

<https://www.bvh2o.com/Projects.html>.

RRID proposes to construct and operate a 5-megawatt (MW) photo-voltaic solar project on an approximately 40-acre parcel, within McAllister Ranch, in the City of Bakersfield. The IS/MND identifies potentially significant impacts related to the proposed Project. All potentially significant impacts are reduced to less-than-significant levels with implementation of mitigation measures identified in the IS/MND.

All comments regarding the IS/MND should be received **NO LATER THAN 5:00 p.m. on June 18, 2026**.

Written comments should be submitted to:

Mr. Tim Ashlock, Engineer-Manager
