Categorical Exemption. State type and class number (detail):

Section 15301. Existing Facilities

Class 1 consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The types of "existing facilities" itemized below are not intended to be all-inclusive of the types of projects which might fall within Class 1. The key consideration is whether the project involves negligible or no expansion of use. Examples include but are not limited to:

(a) Interior or exterior alterations involving such things as interior partitions, plumbing, and electrical conveyances;

Reasons why project is exempt:

The scope of the Proposed Projects includes minor alteration of existing public or private structures interior or exterior alterations involving such things as interior partitions, plumbing, and electrical conveyances or finish work (which encompasses exterior painting and interior flooring). The improvements will not present a new or expanded use of these facilities. Therefore, the projects meet the CEQA state guidelines under section 15301.
