**Project Description:** (please use a separate page if necessary)

The Townsend Field Improvement Project involves replacing the existing turf field with enlarged natural grass field, removal of existing concrete bleachers and replacing with new, metal bleachers. The existing track would be replaced with a new synthetic, all weather track. Replacing existing stadium lighting with new, energy efficient stadium lighting at Townsend Field and Elmer Johnson Field and installation of new lighting at the Buchser Middle School tennis courts. The Project also involves replacement of the press box, PA system, and bathroom building. Existing concession buildings would be demolished

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
