IID - ENVIRONMENTAL MITIGATION SECTION

Project Title: Rural Substations Communications Install

Project Location - Specific: Multiple

Project Location - City: Multiple Project Location - County: Imperial & Riverside

Description of Nature, Purpose and Beneficiaries of Project:

The IID currently lacks visibility into rural substation equipment, preventing automatic alerts during power outages or equipment failures. To resolve this, we propose upgrading and integrating critical infrastructure into our network. These improvements will provide real-time status monitoring, automated alarm notifications, and remote operational control. ■
