- TO: Office of Land Use and Climate Innovation
State Clearinghouse
1400 Tenth Street
Sacramento, CA 95814
- County Clerk, County of Fresno
2221 Kern Street
Fresno, CA 93721

FROM: Fresno County Department of Public Works and Planning
Design Division
2220 Tulare Street, Suite 600
Fresno, CA 93721

PROJECT TITLE: Environmental Review No. 8906 – 2025-2026 Asphalt Concrete Overlays

PROJECT APPLICANT/SPONSOR: Fresno County Department of Public Works and Planning, Design Division

PROJECT LOCATION – COUNTY: Various locations in Fresno County (see Attachment - Location Maps).

DESCRIPTION OF PROJECT: The project proposes to place asphalt concrete overlays, traffic striping, and shoulder backing on various existing roads (see attached location maps). The stretches of road to be improved by this project are showing signs of distress such as alligator, block, longitudinal, and transverse cracking. This project will extend the useful life of these County roads.

NAME OF PUBLIC AGENCY APPROVING PROJECT: Fresno County Board of Supervisors, Department of Public Works and Planning, Design Division.

NAME OF PERSON OR AGENCY CARRYING OUT PROJECT: Fresno County Department of Public Works and Planning, Design Division.

EXEMPT STATUS: Categorical exemption: Section 15301 *Existing Facilities*

REASONS WHY THE PROJECT IS EXEMPT: The project's scope of work includes improving existing public roadways within the existing County right-of-way. The project meets the criteria for a CEQA Class 1 exemption according to Section 15301, which includes the repair, maintenance, and minor alteration of existing structures. Section 15301(c) specifically exempts repair and maintenance of existing highways and streets. Since this project only includes resurfacing and repair of existing roadways, and does not create any additional automobile lanes, it can be concluded it will not have an impact on the environment and is considered exempt under CEQA guidelines.
