PROJECT TITLE: Ordinance Establishing the Historic Resources Commission	
PROJECT APPLICANT: City of San Mateo, Community Development Department, Planning Division	
PROJECT LOCATION SPECIFIC: Citywide	
PROJECT LOCATION (CITY AND COUNTY): San Mateo, San Mateo County	
PROJECT DESCRIPTION: As part of a comprehensive historic policy update effort, the City has adopted an ordinance to amend Title 2 of the Municipal Code to add Chapter 2.23 to establish the new Historic Resources Commission (HRC) to be the reviewing body for the updated Historic Preservation Ordinance. The HRC will consist of five members and two non-voting youth advisory members with four-year terms, will serve at the pleasure of the City Council, and will follow the City's adopted norms and procedures for Boards and Commissions. The Ordinance also establishes a priority for appointing applicants who are professionals in the discipline of history, architectural history, planning or a related field, licensed architects or engineers specially qualified by reason of training or experience in building rehabilitation, or those who demonstrate special interest and experience in the City's history. The responsibilities of the HRC include making recommendations to the City Council on the designation of local landmarks and historic districts and Mills Act contracts, taking action on Certificates of Appropriateness for Major Alterations for properties on the Historic Resources Inventory and historic related appeals, and performing other functions as assigned by the City Council.
