Project Title: Teviston Community Services District 1,2,3-Trichloropropane Mitigation

Project Applicant: Teviston Community Services District (TCSD)

Project Location - Specific:

Located on Avenue 80, Road 132 is 600 ft to the east. APN# 316-220-004

Project Location - City: Teviston Project Location - County: Tulare

Description of Nature, Purpose and Beneficiaries of Project:

The Project includes water treatment improvements to Well 3, including the construction of a treatment facility that would consist of a 37,500 gallon backwash supply tank and pump and backwash holding basin, a pair of Granular Activated Carbon vessels, a sand separator and cartridge filter equipment, a chemical storage enclosure, and an onsite concrete truck pad. Additionally, a 2,000-foot pipeline would be installed approximately four feet below ground surface that would connect the treatment site for Well 3 to the District's newly constructed Well 4 to aid in the compliance of water quality regulations.

Name of Public Agency Approving Project: Teviston Community Services District

Name of Person or Agency Carrying Out Project: Teviston Community Services District

Exempt Status: (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
Declared Emergency (Sec. 21080(b)(3); 15269(a));
Emergency Project (Sec. 21080(b)(4); 15269(b)(c)); Class 1 - 15301 Existing Facilities
Categorical Exemption. State type and section number: Class 3 - 15303 New Construction of Small Structures
Statutory Exemptions. State code number:

Reasons why project is exempt:

Class 1 consists of the minor alteration of existing public facilities involving negligible expansion. The Project is for water treatment at the existing District Well 3 site. Class 3 consists of the construction of new small equipment, facilities, and structures. The Project will add minor improvements at the well site for water treatment.
