Present Land Use/Zoning/General Plan Designation:

Gateway of the Americas Specific Plan Area

Project Description: (please use a separate page if necessary)

The Applicant has submitted requests for Conditional Use Permit #25-0015 and Lot Merger #00165 to continue and expand the operation of a parking and storage facility, including mini-storage units designed to receive packages and boxes on behalf of customers from delivery parcel companies. Said expansion would replace the currently permitted operation under Conditional Use Permit #13-0005. Upon merger, the project site will cover approximately 7.1 acres, comprising contiguous parcels identified by Assessor's Parcel Numbers 059-363-013-000, 059-363-020-000, and 059-363-025-000. Access will remain via Gateway Road. This development is intended to accommodate the growing operational demands of Linn Parking & Storage by increasing parking capacity for commercial vehicles, including long-haul trucks and trailers. The facility is projected to handle around 30 passenger vehicles and 60 trucks entering and exiting daily, with capacity to park up to 60 passenger vehicles and 140 trucks and trailers of various sizes. Operations will run continuously, 24/7, with a staff of approximately eight employees. This expansion is anticipated to improve traffic circulation, reduce congestion within the existing lot, and enhance overall site safety and functionality for both drivers and personnel.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
