Exempt Status: (check one):

Reasons why project is exempt:

CEQA Guidelines Section 15319 provides a categorical exemption for certain annexations, specifically those involving areas with existing, properly zoned development or small parcels intended for facilities that would themselves qualify for an exemption, under CEQA Guidelines Section 15303, subject to limits on utility extensions. The proposal would result in annexation to the Ventura River Water District of an individual parcel to accommodate water service to an planned dwelling unit. Therefore, it is considered to be exempt from CEQA pursuant Section 15319.
