Project Applicant: N/A (Rulemaking)

Project Location - Specific:
Statewide

Project Location - City: Statewide Project Location - County: Statewide

Description of Nature, Purpose and Beneficiaries of Project:

This project is a proposed regulatory action to amend title 22, section 64469 of the California Code of Regulations to allow the State Water Board to enforce the current electronic reporting requirements directly against public water systems, which are responsible for utilizing accredited laboratories to provide analysis of drinking water that report regulatory results through the California Laboratory Intake Portal (CLIP). The new regulations will improve statewide water quality monitoring and ensure public health protection.
