

CITY OF BEAUMONT
NOTICE OF INTENT (NOI) TO ADOPT AN INITIAL STUDY/MITIGATED
NEGATIVE DECLARATION
Beaumont Master Drainage Plan Line 2, Stage 1

In accordance with the California Environmental Quality Act (CEQA) and the CEQA Guidelines, City Staff prepared a Draft Initial Study/Mitigated Negative Declaration (IS/MND) that identifies and evaluates the environmental impacts of the Beaumont Master Drainage Plan Line 2, Stage 1 Project.

Project Title: Beaumont Master Drainage Plan Line 2, Stage 1 Project

Project Location and Description: The Proposed Project would begin at E 6th St and Chestnut and terminate at E 1st St and Berkshire Ave, where it would connect to an existing RCP that discharges out of an existing earthen channel immediately east of Berkshire Ave. The Project proposes to construct approximately 5,000 linear feet of 84-inch to 102-inch RCP along 6th St, Pennsylvania Ave, and E 1st St in the City to handle anticipated future flows.

Manholes would be constructed for maintenance access, and inlets and outlets would be installed to facilitate efficient entry and exit from the system. The Proposed Project would include traffic control measures to ensure safety and maintain vehicle and pedestrian access along the right-of-way, in addition to best management practices (BMPs) to address soil erosion and protect water quality during construction. The RCP would be installed at a depth no greater than 25 feet to allow for future construction and improvements in the area.

Environmental Review and Public Comment: The circulation of the Draft IS/MND is to encourage written public comments. Interested persons can review the Draft IS/MND at the following physical location:

City of Beaumont
Public Works
550 E. 6th Street
Beaumont, CA 92223

You may obtain the document in electronic format at <https://www.beaumontca.gov/1125/Planning-Projects>, or by emailing DChristensen@beaumontca.gov. To request a PDF version of the document from the Public Works Department database, please reference the Beaumont Master Drainage Plan Line 2, Stage 1 Project. The comment period on the IS/MND begins June 9, 2026 and closes on July 9, 2026. Please submit comments to DChristensen@beaumontca.gov or to:

Dustin Christensen, Principal Engineer
City of Beaumont
Public Works
550 E. 6th Street
Beaumont, CA 92223

Intent to Consider Adoption of MND: The Public Works Department of the City of Beaumont will conduct a public hearing to consider the adoption of a Mitigated Negative Declaration for the Proposed Project pursuant to the California Environmental Quality Act (CEQA). The hearing will be held at 550 E. 6th Street, Beaumont, California 92223.
