This is to advise that the County of San Diego Board of Supervisors (County decision-making body) has approved the above described project on June 10, 2026 (#5) and found the project to be exempt from CEQA under the following criteria:

Exempt status and applicable section of the CEQA ("C") and/or State CEQA Guidelines ("G"): (check only one)

- ☒ **Categorical Exemption:** Sec. G 15301 (c) – Existing Facilities
- ☐ **Declared Emergency:** Sec. C 21080(b)(3); Sec. G 15269(a)
- ☐ **Emergency Project:** Sec. C 21080(b)(4); Sec. G 15269(b)(c)
- ☐ **General:** Sec. C.
- ☐ **Ministerial:** Sec. C 21080(b)(1); G 15268
- ☐ **Preliminary Review:** Sec. G
- ☐ **Statutory Exemption:** Sec. G

Statement of reasons why project is exempt: Section 15301(c) of the California Environmental Quality Act (CEQA) Guidelines exempts from CEQA review the "operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use." This exemption includes the maintenance of existing highways, streets, sidewalks, gutters, bicycle, and pedestrian trails. The key consideration in determining whether this exemption applies is whether the project involves "negligible or no expansion of existing or former use." This action consists of approving a list of projects proposed to be funded by Senate Bill 1 for Fiscal Year 2026-27. These projects include asphalt concrete and slurry seal road resurfacing, culverts, guardrails, pedestrian ramps, bridges, and other maintenance work within existing County-maintained roadways. The projects include activities that are necessary to ensure existing right-of-way facilities continue to function as designed. Therefore, the projects are categorically exempt in accordance with Section 15301 of the CEQA Guidelines because they involve the maintenance of existing public roads involving no or negligible expansion of existing use.

The following is to be completed only upon formal project approval by the appropriate County of San Diego decision-making body.
