Notice of Intent
To Adopt A Mitigated Negative Declaration

NOTICE is hereby given that the County of Sacramento, State of California intends to adopt a Mitigated Negative Declaration for the project described below.

Title: Kiefer Landfill Gas Utilization Project

Control Number: PLER2024-00137

Location: Kiefer Landfill: 12701 Kiefer Boulevard, Sloughhouse, CA 95683, approximately 0.6 miles southeast of the intersection of Grant Line Road and Kiefer Boulevard

Pipeline Routes would be located within the public rights-of-way and/or private easements and run northwest from Kiefer Landfill along Kiefer Boulevard either to the intersection of Kiefer Boulevard/Rancho Cordova Parkway or to the intersection of Kiefer Boulevard/Sunrise Boulevard, then north along Sunrise Boulevard where it would terminate in the vicinity of the intersection of Sunrise Boulevard/Douglas Road. Either a compressor station would be constructed near the intersection of Douglas Road and Sunrise Boulevard to connect existing PG&E distribution and transmission pipelines or a metering and regulating (M&R) station may be constructed in the vicinity of the PG&E interconnect on Douglas Boulevard depending on the pipeline route (APN 067-0030-079-0000 or 067-2370-018-0000).
APN: RNG Plant: 126-0090-020-0000 and 126-0090-021-0000; Pipeline: 126-0090-021-0000, 126-0090-020-0000, 067-0030-078-0000, 067-0030-079-0000, and 067-2370-018-0000

General Description: Kiefer Landfill Generating III, LLC is proposing to construct a renewable natural gas (RNG) plant with a capacity of 8,000 standard cubic feet per minute (scfm) at Kiefer Landfill and a pipeline connecting the plant to existing Pacific Gas & Electric (PG&E) natural gas pipelines in Sacramento County. The RNG plant would process landfill gas to meet air quality standards and produce pipeline-quality natural gas (i.e., primarily methane) by removing moisture and impurities. The proposed project would also construct a new pipeline to transfer the pipeline-quality RNG from the plant to existing PG&E pipeline infrastructure, with two route options under evaluation.

Review:

The review period for the Mitigated Negative Declaration begins on **6/12/26** and ends on **7/13/26**. The Mitigated Negative Declaration may be reviewed at https://planning.saccounty.gov and at the following location:

Sacramento County
Planning and Environmental Review Division
827 7th Street, Room 225
Sacramento, California 95814
(916) 874-6141

Comments regarding the Mitigated Negative Declaration should be directed to the Sacramento County Environmental Coordinator and emailed to CEQA@saccounty.gov or mailed to 827 7th Street, Room 225, Sacramento, California, 95814. Failure to do so will not preclude your right to testify at a future public hearing for the proposed project. The date, time, and place of the public hearing is presently unknown. A notice

providing the date, time, and place of the public hearing will be provided by the hearing body authorized to conduct the public hearing for the proposed project.
