Project Title: Soda Springs Pavement Rehabilitation, Culvert 47 Restoration Activities
(Streambed Alteration Agreement EPIMS Notification No. NEV-64065-R2)

Project Location: The project is at the South Yuba River and its unnamed tributary along Interstate 80 post mile (PM) R2.63R in Nevada County, State of California; Latitude 39.32631, Longitude -120.38935 (inlet side); Latitude 39.32690, Longitude -120.39151 (outlet side).

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification Number NEV-64065-R2, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, Teichert Construction, as represented by Kate Wheatley.

The project is limited to the on-site restoration of the disturbed stream habitat at the Culvert 47 inlet and outlet locations. On-site restoration will include revegetation of the disturbed habitat with native, riparian planting and seeding. Erosion control best management practices will be implemented throughout the restoration to ensure the areas are stabilized.

Public Agency Approving Project: California Department of Fish and Wildlife

Person / Public Agency Carrying out Project:

Teichert Construction
Kate Wheatley
3500 American River Drive
Sacramento, CA 95864
(916) 201-4285
kwheatley@teichert.com

Exempt Status:

Categorical Exemption. Type – Class (33); California Code of Regulations, title 14, sections (15333)

Reasons why project is exempt: The project will revegetate and restore disturbed areas with native plant species, and the areas will not exceed five acres in size.
