Project Title

Knights Landing CSD Wastewater Treatment Plant Improvements

Project Location

Knights Landing, Yolo County, California
Existing WWTP site and associated facilities

Project Description

The proposed project consists of feasibility studies, engineering analysis, and preliminary design activities for improvements to the existing wastewater treatment plant (WWTP).

Planning activities include preparation of a project report, development of preliminary design plans (30%, 90%, and 100%), cost estimates, and evaluation of potential improvements such as headworks installation, lift station replacement, pond upgrades, and related infrastructure improvements.

These activities are limited to planning and design and will not result in any physical changes to the environment.

Name of Public Agency Approving Project

Knights Landing Community Services District

Name of Person or Agency Carrying Out Project

Knights Landing Community Services District

Exempt Status

☒ Categorical Exemption

CEQA Guidelines Section 15262 – Feasibility and Planning Studies

Reasons Why Project is Exempt

The project consists of feasibility studies, engineering analysis, and preliminary design activities intended to evaluate potential improvements to the existing wastewater treatment facility. These planning activities will not result in any physical changes to the environment.

Any future construction activities identified as part of this planning effort will undergo appropriate environmental review under CEQA prior to implementation.

Therefore, the project qualifies for exemption under CEQA Guidelines Section 15262 (Feasibility and Planning Studies).
