Project Applicant: California American Water Company – Lincoln Oaks

Project Title: Hemlock Well Inactivation Water Supply Permit Amendment (Project)

Project Location: 5640 Hemlock Street between Rambler Way and Cherokee Way,
Sacramento, 38.67014218583323, -121.34146477264181

Project County: Sacramento

Project Description: The Applicant proposes to change the status of the Hemlock Well from standby to inactive. Deactivation is accomplished by excavating to the connection point and physically disconnecting the well from the distribution system.

Public Agency Approving the Project: State Water Resources Control Board (State Water Board)

This is to advise that the State Water Board has issued a domestic water supply permit amendment for the above-described Project on June 17, 2026. A record of permit approval for the Project is available to the public at the State Water Board, Division of Drinking Water district office listed above.

CATEGORICAL EXEMPTION STATUS: Class 1: Existing Facilities Cal. Code of Regs., section 15301

Reason Why the Project Is Exempt: The Project is exempt because it is a minor modification to an existing public water system with no change in use. None of the exceptions listed in section 15300.2 of the CEQA Guidelines would apply to the proposed Project.
