PUBLIC NOTICE

NOTICE OF AVAILABILITY / NOTICE OF INTENT TO ADOPT A NEGATIVE DECLARATION

SONOMA STATE ROUTE 12 Shoulder Widening Project

WHAT IS BEING PLANNED?

The California Department of Transportation (Caltrans) proposes a safety project with improvements on State Route 12 in Sonoma County, from near Deerfield Ranch Winery near Kenwood (postmile 28.10) to approximately Babb Lane in Glen Ellen (postmile 31.67).

Work within the project limits would widen shoulders on State Route 12 to a 5-foot width and install center and edge line rumble strips in areas they are currently absent with the purpose of reducing collisions. The project proposed to replace two culverts and install a drainage ditch to accommodate the shoulder widening.

WHY THIS AD?

Caltrans, as lead agency under the California Environmental Quality Act, has prepared a Draft Initial Study with Proposed Negative Declaration (IS/ND) to evaluate potential environmental effects of the proposed project. This notice is to inform the public that the Draft IS/ND is available for review and comment.
