NOTICE OF EXEMPTION

June 25, 2026

Project Name: Flock Safety Automated License Plate Reading (ALPR) Camera Installation Project

Project Number: 1471406

Project Location: P#007 Hwy 86 @ 86th Ave NB; P#072 Hwy 86 @ Dillon Rd SB; P#076 Hwy 86 @ 62nd Ave SB; P#171 Hwy 86 @ 86th Ave SB

Description of Project: Description of Nature, Purpose, and Beneficiaries of Project: The project consists of the installation of Flock Safety automated license plate reading {ALPR} cameras on behalf of Riverside Sheriff's Department. The installation consists of band clamp attachment of a camera and a solar panel to existing Caltrans poles with no proposed ground disturbance, and installation of new X2 Redi-Torque breakaway poles with minimal ground disturbance for the pole foundation. The purpose of the installation is to provide law enforcement with the ability to detect license plates associated with criminal activity and to assist law enforcement with intercepting these vehicles. The beneficiaries of the project are both law enforcement and the public at large as this installation will serve public safety interests and help make Riverside County a safer community.

Name of Public Agency Approving Project: Riverside County Sheriff's Office

Name of Person or Agency Carrying Out Project: Riverside County Sheriff's Office

Exempt Status: State of California Environmental Quality Act (CEQA) Guidelines, Section 15061(b) (3), General Rule or "Common Sense" Exemption, Codified under Title 14, Articles 5 and 19 Sections 15061 and 15301.

Reasons Why Project is Exempt: The proposed project is categorically exempt from the provisions of CEQA specifically, by the State CEQA Guidelines as identified below. The project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause an impact to an environmental resource of hazardous or critical concern, nor would the project include unusual circumstances that could have the possibility of having a significant effect on the environment. The project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments or have a cumulative effect on the environment. No significant environmental impacts are anticipated to occur with the Flock ALPR Project.

- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact, and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies, and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The proposed Flock ALPR Project will not result in any direct or indirect physical environmental impacts. Therefore, in no way would the project, as proposed, have the potential to cause a significant environmental impact, and the project is exempt from further CEQA analysis.

Based upon the identified exemptions above, the Riverside County Sheriff’s Office hereby concludes that no physical environmental impacts are anticipated to occur, and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.

Signed: *Remon Tadrous* Date: 06/25/2026
