**Project Applicant:** Florin County Water District

**Project Title:** Operation of Florin County Water District PFAS Treatment Water Supply Permit Amendment (Project)

**Project Location:** 7303 Diana Way, Sacramento, CA 95828, APN: 051-0232-007-0000

**Project County:** Sacramento

**Project Description:** The Applicant proposes the operation of two ion exchange filter vessels to remove per and polyfluoroalkyl substances (PFAS) from their drinking water supply. The filters were installed within an existing well facility to be used in conjunction with the well.

**Public Agency Approving the Project:** State Water Resources Control Board (State Water Board)

This is to advise that the State Water Board has issued a permit amendment for the above-described Project on June 26, 2026. A record of permit approval for the Project is available to the public at the State Water Board, Division of Drinking Water district office listed above.

**CATEGORICAL EXEMPTION STATUS:** Class 1: Existing Facilities Cal. Code of Regs., section 15301

**Reason Why the Project Is Exempt:** The Project is exempt because it is the operation of a minor modification of an existing public water system by adding health protection devices to be used in conjunction with the existing well with no change in use. None of the exceptions listed in section 15300.2 of the CEQA Guidelines would apply to the proposed Project.
