Project Title: Amended Tidelands Use and Occupancy Permit to Chula Vista Water Sports at Chula Vista Bayside Park

Project Applicant: Michael Jimenez, Owner, Chula Vista Water Sports, 768 Eastshore Terrace, Unit 155, (619) 755-2957
Chula Vista, CA 91913

Project Location – Specific: 496 Bayside Parkway, Chula Vista, CA 91910

Project location – City: Chula Vista

Project Location – County: San Diego

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project is an amendment to the previous Tideland Use and Occupancy Permit (TUOP) to Chula Vista Water Sports (Tenant) at Chula Vista Bayside Park ("previous project") (Clerk Document No. 79169). The previous project was approved on November 11, 2025, for the use of approximately 272 sq ft of land area for storage and rental of water sport equipment in the concession space attached to the south comfort station at Chula Vista Bayfront Park in the City of Chula Vista, California.

The proposed TUOP amendment would add the sale of café concessions to the existing use of the structure and expand the leased area to include patio space adjacent to the concessions structure. The patio space for vending, located adjacent to the comfort station, would be open to the public and would not be exclusive for Tenant use. Additionally, the proposed project would include new wall-mounted signage affixed to the existing building displaying the business name. The proposed signage would comply with the District's tenant signage guidelines.

The amended and restated use of the area under this TUOP is currently and is proposed to be used only and exclusively for the purpose of (a) storage of paddle boards, kayaks and equipment used for programs at Chula Vista Water Sports, (b) sale of food, non-alcoholic beverages, ice cream, frozen confections, snacks, sandwiches, soups, salads, coffee, desserts, cookies, sundries, t-shirts, hats, and other novelty items bearing only the Tenant's business name and/or logo, (c) sale of bait and fishing equipment, and for no other purpose whatsoever without the prior written consent of the Executive Director of District in each instance. The Tenant would be responsible for compliance with all laws and regulations associated with the activities on or in connection with the above-described premises, and in all uses thereof, including those regulating stormwater and hazardous materials.

It is anticipated that the TUOP would have a total term of approximately four (4) years. The TUOP may be terminated by the District or Tenant as a matter of right and without cause at any time upon providing thirty (30) days' notice in writing to the other party of such termination.

☐ Statutory Exemption. State code number:

Reason Why Project is Exempt: The proposed project is determined to be Categorical Exempt pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15301 (Existing Facilities) and Section 3.a. of the

District

Project Number: 2025-131a

District's Guidelines for Compliance with CEQA because it would involve no expansion of use beyond that previously existing and would not result in a significant cumulative impact due to the continuation of the existing use. Section 3.a. of the District's CEQA Guidelines is as follows:

- 3.a. Existing Facilities (SG § 15301) (Class 1): Includes operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that previously existing, including but not limited to:
- (4) New and renewed short-term tenancy agreements which do not result in change in the existing use. This exemption does not apply to any new development associated with the activities of the tenant. This exception is also inapplicable if the cumulative impact of continuing the existing use or conditions in the same place, over time, is significant.
