Temecula Valley High School Modernization 2026 Project

**Project Title**

31555 Rancho Vista Road

**Project Location – Specific**

Temecula

Riverside

**Project Location – City****Project Location – County**

The Proposed Project involves the maintenance and modernization of the Temecula Valley High School campus, including construction of a new two-story classroom building with 20 classrooms; demolition and removal of 19 existing portable classroom structures; refurbishment of this area with new volleyball courts, a synthetic practice field, and new shade structures; and interior improvements to the existing art room, snack bar, and kitchen. All improvements would occur within the existing developed campus.

**Description of Nature, Purpose, and Beneficiaries of Project**

Temecula Valley Unified School District

**Name of Public Agency Approving Project**

Temecula Valley Unified School District

**Name of Person or Agency Carrying Out Project****Exempt Status:**

☒ Categorical Exemption: Section 15304 (Class 4, Minor Alterations to Land) and 15314 (Class 14, Minor Additions to Schools)

Class 4 applies because the Proposed Project would occur on previously disturbed land within an existing high school campus and would involve minor grading, demolition of portable classrooms, and construction of campus improvements. All areas disturbed would be restored to operable conditions. No healthy, mature, scenic trees would be removed.

Class 14 applies because the Project involves minor additions to an existing high school campus, including the replacement of 19 portable classrooms with a new two-story classroom building with 20 classrooms. The Project would result in a net increase of 1 classroom, below the ten-classroom threshold. The Project would increase enrollment capacity by less than 1 percent, below the threshold of 25 percent.

None of the exceptions in CEQA Guidelines Section 15300.2 apply to the Proposed Project.
