Stockton, California 95202

Project Title: Mokelumne Acres Sinkhole Repair IMMRP

Project Location: See attached vicinity map

Description of Nature, Purpose, and Beneficiaries: See attached project description

Public Agency Approving Project: San Joaquin County Public Works Department

Name of Agency Carrying Out Project: San Joaquin County Public Works Department

This is to advise that the San Joaquin County Public Works Department has approved the above described project on 6/17/2026 and has made the determination that the project is exempt due to the following:

Exempt Status (check one):

- ☐ Ministerial (Sec. 21080 (b) (1); 15268)
- ☐ Declared Emergency (Sec. 21080 (b) (3); 15269(a))
- ☐ Emergency Project (Sec. 21080 (B) (4); 15269(b) (c))
- ☒ Categorical Exemption: Existing Facilities (Sec. 15301 (d))
- ☐ Statutory Exemption (Sec. 15282(l))

Reason(s) why project is exempt: The project will restore existing damaged storm drainpipe.

MOKELUMNE ACRES SINKHOLE REPAIR IMMRP

Project Description

Project Location:

Valley Oak Place: 908 Valley Oak Place Woodbridge, CA 95258. **See attached Vicinity Map.**

Project Justification:

A section of the existing 36-inch storm drainpipe from the intersection of Valley Oak Place and Meadowlark Drive to approximately 100 feet east is damaged. Storm water runoff is leaking into the subgrade area under the pipe section and causing erosion which is leading to failure of the structural section and sinking of the asphalt section of the pipe.

Scope of Work:

The project will consist of:

1. Excavating trench to expose existing storm drain line.
2. Removing and replacing all damaged and broken portions of the existing 36-inch Reinforced Concrete Pipe (RCP).
3. Compacting pipe bedding areas.
4. Pouring concrete collars at pipe joints.
5. Backfilling and compacting subgrade above pipe.
6. Placing Class 2 Aggregate Base (AB) to match existing structural section; Compacting to 95%.
7. Placing Hot Mix Asphalt (HMA) to match existing structural section.
8. Asphalt restoration to be in accordance with San Joaquin County Standards and drawings.

Environmental Setting:

In these portions of the San Joaquin County, land usage is primarily **residential with single family homes**.

There are many large trees adjacent to the project area. Nesting and migratory birds, protected by the Migratory Bird Treaty Act, may nest within these trees. Furthermore, the Swainson's Hawk, a raptor species of concern within the State of California and listed as threatened may nest adjacent to or within the project area. A pre-construction survey for nesting Swainson's Hawks and other migratory birds is recommended if construction is scheduled to occur from February 15th to September 1st.

Beneficiaries:

The public will see increased safety and fewer hazards with these improved storm drainpipes. Overall, there will be reduced maintenance concerns and more reliability within the project area.

NO SCALE
