This is to advise that the County of San Diego General Services has approved the above-described project on July 2, 2026, and found the project to be exempt from the CEQA under the following criteria:

Exempt status and applicable section of the CEQA ("C") and/or State CEQA Guidelines ("G"): (check only one)

- ☐ Declared Emergency [C 21080(b)(3); G 15269(a)]
☒ Emergency Project [C 21080(b)(4); G 15269(b)]
☐ Statutory Exemption. C Section(s):
☒ Categorical Exemption. G Sections: 15301 Existing Facilities
☐ G 15182 – Residential Projects Pursuant to a Specific Plan
☐ Activity is exempt from the CEQA because it is not a project as defined in Section 15378.
☐ G 15061(b)(3) - It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment and the activity is not subject to the CEQA.

Statement of reasons why project is exempt:

This Right of Entry (ROE) permit is categorically exempt from CEQA pursuant to Section 15301, Existing Facilities as it involves permitting access to an existing easement on County-owned land to conduct emergency repairs on an existing water pipe that involves no expansion of the existing or former use of the property or water pipe. Additionally, the ROE permit is exempt from CEQA pursuant to Section 15269(b) as it involves a ROE permit for emergency repairs to an existing water district water pipe that is necessary to maintain water service that is essential to the public, health, safety, and welfare. Further, no exceptions listed in CEQA Guidelines Section 15300.2 apply to the project. The project will not impact environmental resources of hazardous or critical concern that are designated, precisely mapped and officially adopted by government agencies; does not contribute to cumulative environmental impact; will not have a significant impact on the environment due to unusual circumstances; does not damage scenic resources within a designated state scenic highway; and is not on the list of Hazardous Waste and Substance Sites pursuant to Section 65962.5 of the Government Code.
