By  Deputy

Project Location - Specific:

20301 Skywest Dr, Hayward, CA 94541

Project Location - City: Hayward

Project Location - County: Alameda

Description of Nature, Purpose and Beneficiaries of Project:

The Project would include a full-depth reconstruction of Taxiway Z pavement between the Taxiway D and Taxiway F intersections, including the Taxiway D and E fillets, and an additional 300 LF of Taxiway Z pavement on the southeast side of Taxiway D. The reconstruction will include the addition of 20 foot paved shoulders along the reconstructed sections. The Project would also include a full-depth reconstruction of Taxiway A1 and reconfigure the existing connection between the north/south segments of Taxiway Z. The reconfigured Taxiway Z connection would allow aircraft to taxi at a more continuous rate and improve safety by eliminating the 90-degree turn at midpoint of Taxiway Z. Additionally, the Project would remove several existing culverts along Taxiway Z, and then would construct new culverts and other drainage improvements to manage stormwater flows.
