Project Title: Olivier Street Stormwater Diversion Project

Project Applicant: City of Monterey

Project Location (include county): Corner of Scott Street and Olivier Street

Project Description:

The Project would modify the existing storm drain system to divert urban drainage from the existing storm drain utility collection system on Olivier Street to the City's sanitary sewer system. Modifications to the existing underground storm drain system would include construction of a wet well, pump, and ancillary improvements which would include a new electrical panel, trash capture device, and SmartCover monitoring system. The Project would provide approximately 10-12 AFY of recycled water.
