Zoning Code Amendment, P2026-0115-ZCA

Address/Location: Citywide

Project Description: Zoning Code Amendment (P2026-0115-ZCA) for various clarifications, corrections, and updates.

APPLICANT: City of Culver City, 9770 Culver Boulevard, Culver City, CA 90232

CULVER CITY APPROVAL ACTION:

1. The City Council on July 13, 2026, approved the above-described project.

The decision-making body, in approving the project described above, determined that the project is exempt from further environmental impact assessment per the California Environmental Quality Act (CEQA) guidelines, pursuant to Sections 15061(b)(3).

2. Reason why project is Exempt (brief):

The Zoning Code Amendment, P2026-0115-ZCA, which implements revisions that clarify and update various discrepancies in the Zoning Code, brings alignment with State law, and does not materially alter development density or intensity, is considered exempt from CEQA pursuant to CEQA Guidelines Section 15061(b)(3), because it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.
