NOTICE OF INTENT TO ADOPT AN INITIAL STUDY/MITIGATED NEGATIVE DECLARATION FOR THE MANHOLE, GRAVITY INTERCEPTOR, AND EASEMENT ROAD IMPROVEMENTS PHASE 2 PROJECT

Subject: Manhole, Gravity Interceptor, and Easement Road Improvements Phase 2 Project, Initial Study/Mitigated Negative Declaration

Notice is hereby given that the Delta Diablo (District), acting as the Lead Agency under the California Environmental Quality Act (CEQA), is releasing for review and comment to all agencies, organizations, and interested persons, a Draft Initial Study/Mitigated Negative Declaration (IS/MND) for the Manhole, Gravity Interceptor, and Easement Road Improvements Phase 2 Project (Project).

Project Location: The Project site is located in northern Contra Costa County. Some portions of the Project site are within the City of Pittsburg and some are within the unincorporated communities of Bay Point and Shore Acres. The linear Project site generally extends from ¼ mile west of the intersection of River Sands Road and Chicago Highway to just north of the facility located at 1100 Willow Pass Road. The Project site contains portions of Port Chicago Highway and existing access roads and undeveloped areas north of Port Chicago Highway.

Project Description: The District is implementing the proposed Project to address critical infrastructure improvements in their wastewater collection system. The Project includes rehabilitating or replacing approximately 53 manholes, rehabilitating approximately 8,882 linear feet of sewer pipes, constructing a permanent underground bypass system, and improving access roads to five of the District's manholes.

Public Review Period: The Draft IS/MND will be circulated for a 30-day review period beginning July 21, 2026, and ending on August 20, 2026. Comments on the IS/MND should be mailed or emailed to the following contact by no later than 5:00 p.m. on August 20, 2026.
