Attention State Clearinghouse:

On October 2, the California Department of Resources Recycling and Recovery (CalRecycle) filed a Draft EIR for the Small and Medium Composting Facilities and Operations Program under State Clearinghouse (SCH) Number 2026070901. Appendix A included the comment letters that were received in response to the Notice of Preparation (NOP), and two comment letters were inadvertently omitted. The content of the Draft EIR with the exception of Appendix A was correct and the NOP comment letters were considered during preparation of the Draft EIR, as required by CEQA. We are requesting that the pdf of the Draft EIR be corrected on the SCH website to include copies of the two NOP comment letters.

If you have any questions, please don't hesitate to contact myself or our consultant who filed the Draft EIR as a designated submitter (Chris Mundhenk at NCE at (310) 488-0507 or cmundhenk@ncenet.com.)

Thank you,
