Project Title: Electrical Vaults Removal – Harbor Development Permit No. 26-029
State Clearinghouse No: Enter Number
Project Location – Specific: Berth D31A, Pier D; Harbor Planning District 5 – Middle Harbor
Project Location – City: Long Beach, California **Project Location – County:** Los Angeles County

Description of Nature, Purpose and Beneficiaries of Project:

Removal of existing abandoned vaults and surrounding guard posts, as well as backfilling, grading, and in-kind replacement of the asphalt pavement and base.

Exempt Status:

- ☐ Ministerial Exemption [Section 21080(b)(1); 15268]; ☐ Common Sense Exemption (Section 15061(b)(3))
☐ Declared Emergency (Section 21080(b)(3); 15269(a)); ☐ Other:
☐ Emergency Project [Section 21080(b)(4); 15269(b)(c)]
☒ Categorical Exemption. **Section 15301 (Class 1. Existing Facilities), Section 15302 (Class 2. Replacement or Reconstruction), and Section 15304 (Class 4. Minor Alterations to Land)**
☐ Statutory Exemption. State code number:

Reasons why project is exempt:

Section 15301 Existing Facilities (Class 1): The Class 1 Categorical Exemption consists of the operation, repair, maintenance, permitting, leasing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The Port will issue a Level I HDP for minor alteration of existing facilities to remove existing abandoned electrical vaults and surrounding guard posts involving negligible or no expansion of existing or former use.

Section 15302 Replacement or Reconstruction (Class 2): The Class 2 Categorical Exemption consists of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced. The project involves backfilling, grading, and in-kind replacement of the asphalt and base for the removal of existing abandoned electrical vaults. All equipment that is removed from the site will be disposed of in a manner that meets all federal, state and local environmental and regulatory requirements.

Section 15304 Minor Alterations to Land (Class 4): The Class 4 Categorical Exemption consists of minor public or private alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees

except for forestry or agricultural purposes and backfilling where the surface is restored. The Project involves approximately 573 cubic yards of excavation to remove existing abandoned electrical vaults and surrounding guard posts and backfilling where the surface will be restored.

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of Categorical Exemption CEQA Guidelines Section 15301 (Class 1. Existing Facilities), Section 15302 (Class 2. Replacement or Reconstruction), and Section 15304 (Class 4. Minor Alterations to Land); therefore, the Project is exempt from CEQA and no further environmental review is required.
